

PHILOSOPHY

A LEVEL

SUMMER ASSIGNMENT:

What's it all about?

Tasks

Use YouTube to find and watch a video on Plato's Allegory of the Cave.

If you're feeling ambitious try to find the original text in Plato's The Republic.

- In your own words, write a description of the Cave Allegory.
- What do you think Plato is trying to say? What do you think this has to do with philosophy?

Write down as much as you can for your answers. We will discuss your ideas in the first week of the course.

Good luck and enjoy your first steps into a challenging and exciting subject!
